

Tyler Morgan

My name is Tyler Morgan. I am a professional piercer, tattoo artist, and extreme body modification specialist based in Tucson, Arizona. I am fellow Tucsonan, residing here with my family. I enjoy fishing in my free time, along with drawing, and, overall, growth in the tattoo community. I joined the industry back in 2012. I enjoy a wide range of tattooing styles, ranging from black work, traditional, and fineline black and grey. I offer a wide range of piercing expertise including but not limited to basic ear piercings, genitalia and body piercing, and surface piercings. I offer extreme body modifications including tongue spitting, scarification, sub dermal implants, keloid removal, coin slot scalpel, lobe/cartilage punches, and lobe reconstruction. Conclusion is in the works
