

Malia Carrasco

Hi! I'm Malia Carrasco, a tattoo artist and permanent makeup specialist based out of Tucson, Arizona. I started tattooing in 2020, and since then I've been fully dedicated to refining my craft and pushing my work to the next level. I work in most tattoo styles, but I specialize in fine line, stippling, ornamental, blackwork, micro realism, and neo-traditional. I focus on clean, intentional tattooing with strong attention to detail. Whether it's soft, delicate linework or bold, high-contrast designs. I'm always working to improve my technique, composition, and precision, making sure every tattoo I create is something both my client and I are proud of.
